

RIVER HILLS COMMUNITY HEALTH CENTER

POSITION OPENING

Today's Date: May 27, 2025

Job Listing: Pediatric Nurse Practitioner-We are seeking to add a Pediatric Nurse Practitioner to our growing outpatient Pediatric Clinic.

Qualifications: Vacancy for a Full-Time Pediatric Nurse Practitioner. Requires current licensure in the State of Iowa as a Pediatric (PNP) Advanced Registered Nurse Practitioner. Candidates must be computer proficient and have excellent data entry skills. The ideal candidate should have a team player attitude, solid organizational skills, ability to multi-task in a fast paced work environment and possess excellent customer service skills.

Duties: The Advanced Nurse Practitioner supports the goals, philosophy and objectives of River Hills Community Health Center. The Nurse Practitioner works in collaboration the care team and with other RHCHC providers within the approved protocols and guidelines to provide comprehensive care to pediatric patients. The Nurse Practitioner must consistently act within the scope of nursing practice and the role of the nurse practitioner as identified in the rules governing the advanced practice aspects of nursing found in 655 IAC Chapter 7.

Hours: Monday-Friday daytime hours.

Supervisor: Pediatric Medical Director

Interested in this position: Submit resume and cover letter to recruiting@riverhillshealth.org as soon as possible but the position will remain open until filled.

River Hills Community Health Center offers competitive salaries, a full benefit package and is an approved National Health Service Corps (NHSC) site. NHSC offers student loan repayment in exchange for a two year commitment. Visit <http://nhsc.hrsa.gov/> for more information about NHSC.
