

Medical Receptionist- Oskaloosa

Today's Date	04/08/2026
Location	Oskaloosa
Hours	M-F
Job Type	Full-time

Summary

The Medical Receptionist is responsible for registering patients and providing front office and intake services in support of efficient clinic operations. This role serves as the first point of contact for patients and visitors, answering phones, scheduling appointments, updating patient demographics, and collecting payments. The Medical Receptionist ensures accurate patient information, supports clinic flow, and delivers excellent customer service in alignment with the mission of River Hills Community Health Center.

Duties and Responsibilities

1. Open and close the medical office according to established protocols.
2. Medical Receptionist
3. Answer and respond to telephone calls professionally and courteously.
4. Medical Receptionist
5. Greet and welcome patients and visitors; maintain a professional and organized reception area.
6. Medical Receptionist
7. Schedule, register, and check in patients using EPIC, verifying and updating patient demographic, insurance, and health information at each visit.
8. 3780_001
9. Collect co-payments and other patient payments at the time of service.
10. Determine Sliding Fee Scale eligibility when appropriate and provide required patient reminders.
11. 3780_001
12. Confirm next-day appointments and manage recall and inactive patient systems.
13. Medical Receptionist
14. Manage appointment back-up lists to fill cancellations and no-show time slots.
15. Medical Receptionist
16. Create, organize, and maintain patient charts and medical records in compliance with HIPAA regulations.
17. Medical Receptionist
18. Process medical records requests and accurately file incoming documentation.
19. Medical Receptionist

20. Maintain petty cash and monitor reception supplies, submitting orders as needed.
21. Medical Receptionist
22. Participate in staff meetings and assist with monthly office tasks as assigned.
23. Medical Receptionist
24. Perform other duties as assigned to support clinic operations.
